

800 million Iraqi dinars to sustain the tourist city in Habbaniyah

Coinciding with the approaching days of Eid al-Adha, and keen to support the tourism and Entertainment sector in Iraq. The Central Bank of Iraq, through the Tamkeen initiative which is financed by private banks and exchange companies under the supervision of Private Banks League, decided to grant the management of the tourist city in Habbaniyah an amount of 800 million dinars Iraqi, to be spent for the maintenance of the city facilities and completion of preparations for the reception of the city visitors.

The initiative of community and humanitarian activities (Tamkeen), launched by the Central Bank of Iraq at the end of 2017, aims to support and finance activities and projects of a social, humanitarian, environmental, cultural and artistic nature.
