

Tamkeen Initiative funds industrial projects in Muthana
Governorate

The Board of Directors of Tamkeen initiative which sponsored by the Central Bank of Iraq and financed by banks and exchange companies and under the supervision of the Iraqi private banks league agreed to finance a number of industrial projects and initiatives in Muthana governorate in the field of plastic and food industries and others. This comes in support of economic reality and the alleviation of the unemployment rate in the governorate.

It is worth mentioning that this initiative works to finance various industrial, service, environmental and social projects, and initiatives, and distributed among all Iraqi governorates.
