

CBI participated in a seminar on financial inclusion at the University of Erbil

The Central Bank of Iraq participated in the seminar held at the University of Erbil on the role of the Central Bank of Iraq in achieving financial inclusion. The participation introduced the concept, and principles and mechanisms of financial inclusion and the strategy of financial inclusion for the years 2018-2020 by the financial inclusion team in this bank, as well as future prospects in cooperation with the relevant international institutions.
