

CBI participates in the financial inclusion seminar at Nawroz University

The Central Bank of Iraq participated in the financial inclusion seminar held at the University of Nawroz in Duhok for the period from 21-22 April 2018 under the title of "the role of the Central Bank in achieving financial inclusion in Iraq". The participation is to introduce the concept of financial inclusion, the vision, objectives and challenges facing their application in Iraq, also to provide information on the work and services of banks operating in Iraq. Particularly the draft strategy of financial inclusion in Iraq was reviewed which was prepared by this bank and its effective role in promoting economic growth.
