

The Governor of CBI participates in the World Forum of the Islamic Banks Council

The Governor of the Central Bank of Iraq, Mr. Ali Mohsen Ismail, participated in the annual global forum of the General Council of Islamic Banks and Financial Institutions held in the Turkish capital of Istanbul from 2-3 / 5/2018. The forum will be on several sessions during the two days. The main session focused on how to keep regulatory institutions relevant in a changing economic environment that includes many technological upheavals and developments, which raise many questions about the roles and presence of regulators in light of the turmoil in the financial sector.

The Governor also addressed the Islamic banking situation in Iraq and the great development that has taken place in this field especially in recent years in addition to the financial services offered by Islamic banking.
