

CBI participates in Wassit International Fair

The Central Bank of Iraq participated in the third Wassit International Energy, Construction and Investment fair for the period from 16-19 / 4/2018. This participation came through the Credit Information exchange and Public Protection Section, one of the forms of the exchange monitoring Department in this bank. The participation distinguished by providing banking Information and awareness to the public and introducing the mechanism of working banks operating in Iraq as well as educating the public on banking services and techniques.
