

The Central Bank of Iraq participates in the ninth conference of the International Alliance for Financial Inclusion

The Central Bank of Iraq represented by his Excellency the governor of CBI Mr. Ali Muhsen Ismail participated in the ninth Conference of the International Alliance for Financial Inclusion under the sponsorship of the President of the Arab Republic of Egypt Abdul-Fattah Al-Sisi in Sharm El Sheikh, Egypt. 14-15 / 9/2017

The Governor's participation with more than 800 participants from 95 countries and organizations, notably the Chairman of the Board of Directors of the Arab Monetary Fund and the Governors of Central Banks Members and leaders of institutions and employees in the financial sector.

The conference, entitled "Discovering Diversity and Enhancing Financial Inclusiveness," aims at exchanging advice and capacities between private and public institutions to implement policies to enhance financial inclusion as the conference will discuss the latest policies of financial inclusion and its related activities in the world.

In addition, the conference will witness the announcement of the regional initiative to enhance the financial inclusion for the Arab countries in particular and how to achieve financial inclusion and use it as a mean to reduce poverty and achieve economic growth
